*Demonstrate your expertise and accelerate  
your professional development*

IF YOU WANT TO ADVANCE YOUR CAREER, you need to let employers and colleagues know you are a cut above the rest. The best way to accomplish this is to pass the Certified Web Site Developer Exam from Macromedia. Because when you're certified by Macromedia, people know they can count on you to build effective and dynamic Web sites.

macromedia what the web can be.™

*Prove You're a Leader in the Web  
Development Community*

Certification proves you have attained the highest level of professional competency in all aspects of Web development that relate to Web page design and Web page authoring. As a result, your expertise will be recognized and everyone will know you belong to the Web site development elite.

*And Let Macromedia's Appeal Work for You*

You'll be able to leverage Macromedia's mass appeal by using the Macromedia Certified Professional (MMCP) logo on business cards, applicable business letterheads, and appropriate Web sites. Also, you will gain substantial exposure when you are listed in a directory found on Macromedia's Web site.

*Macromedia Partners with VUE*

Macromedia has teamed with Virtual University Enterprise (VUE) to offer the Certified Web Developer Exam at more than 2,500 testing facilities worldwide.
