

**Special Bonus for  
CyberSeminar Attendees!**

You could win a FREE copy of  
JRun 4! A \$899 value!

**Register now. Space is limited.**  
[www.macromedia.com/go/jrisv](http://www.macromedia.com/go/jrisv)

**Attendees will learn how to:**

- Easily plug in custom-built services using the JMX-based architecture
- Save their engineering team hours of development time using hot deployment and auto modification
- Benefit from enterprise-class clustering capabilities based on Jini™ technology
- More seamlessly integrate their application with JRun by leveraging the JRun Software Development Kit
- Leverage Web Services to interoperate with heterogeneous systems

275 Grove Street  
Newton, MA 02466
